OFFICIAL TOWN BUSINESS

THE TOWN OF WILLIAMSBURG'S COMMUNITY CHOICE POWER SUPPLY PROGRAM

The Town of Williamsburg is announcing the new rate and term for its Community Choice Power Supply Program through its current supplier, **Dynegy**. The Town's new aggregation rate is fixed at **\$0.14401 per kWh for all rate classes for 3 months (May 2022 to August 2022)**. For comparison purposes, National Grid's Residential Basic Service rate is fixed at \$0.11491 per kWh from May 1, 2022 through October 31, 2022. The Board of Selectmen and Energy Committee continue to work together in this volatile market to find a long-term stable aggregation rate.

It is important to note that **no action will be required** by individual consumers. All accounts currently enrolled in the Program will continue to see Dynegy printed under the "Supply Services" section of their monthly bill. This rate change will be seen on the June 2022 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, or to access National Grid's Basic Service rates, please visit colonialpowergroup.com/williamsburg or call Dynegy at (866) 220-5696. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate will not always be higher than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against National Grid Basic Service. However, such savings and future savings cannot be guaranteed.
