# THE TOWN OF LEVERETT'S COMMUNITY CHOICE POWER SUPPLY PROGRAM

The Town of Leverett is announcing the new rates and term for its Community Choice Power Supply Program through its new electricity supplier, **NextEra Energy Services**. The Town's new aggregation rates are fixed **for all rate classes for 13 months** as follows:

Program Product	Term	New Rate (Supply Only)	Renewable Energy Content
Standard (default)	December 2022 to January 2024	\$0.23600 per kWh	100% renewable. Includes 49% National Wind RECs.
Optional NE Green		\$0.27231 per kWh	100% MA Class I RECs

*[Rates apply to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]*

For comparison purposes, Eversource's Residential Basic Service rate is fixed at \$0.21864 per kWh from January 1, 2023 thru June 30, 2023. **The Town's standard rate is only slightly higher than Eversource's Residential Basic Service rate, and the Town has made a commitment to renewable energy.** Due to economic and geo-political conditions worldwide, electricity prices are higher now than in prior years. However, the Town's new rates are fixed which provides protection against market spikes over the 13-month term but doesn't lock the Town into the elevated prices beyond that should the market stabilize.

It is important to note that **no action will be required** by individual consumers. All accounts currently enrolled in the Town's Program will be switched to NextEra as of the December 2022 meter reads. This change will be noted on the December 2022 bills and will be seen on the January 2023 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, to change your current product selection, or to access Eversource's Basic Service rates, please visit [colonialpowergroup.com/leverett](https://colonialpowergroup.com/leverett) or call NextEra at (855) 782-9305. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Eversource customers who meet certain means criteria can qualify to receive a discount on their electric bills. *Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate will not always be higher than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource Basic Service. However, such savings and future savings cannot be guaranteed.*
