DO NOT DISCARD — IMPORTANT Notice Regarding Electricity Rates

Este es un aviso importante. Por favor asegure que se traduce.

Este é um aviso importante. Queira mandá-lo traduzir.

THE TOWN OF WEST BROOKFIELD'S COMMUNITY CHOICE POWER SUPPLY PROGRAM

The Town of West Brookfield is announcing the new rate and term for its Community Choice Power Supply Program through its current electricity supplier, **Dynegy Energy Services**. The Town's new aggregation rate is fixed **for all rate classes for 12 months** as follows:

Term	New Rate (Supply Only)	Renewable Energy Content
December 2022 to December 2023	\$0.23060 per kWh	Meets MA renewable energy requirements
<i>[Rate applies to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]</i>		

For comparison purposes, National Grid's Residential Basic Service rate is fixed at \$0.33891 per kWh from November 1, 2022 thru April 30, 2023. **Due to economic and geo-political conditions worldwide, electricity prices are higher now than in prior years. However, the Town's new rate is fixed which provides protection against market spikes over the 12-month term but doesn't lock the Town into the elevated prices beyond that should the market stabilize.**

It is important to note that **no action will be required** by individual consumers. All accounts currently enrolled in the Town's Program will continue to see Dynegy printed under the "Supply Services" section of their monthly bill. This rate change will be seen on the January 2023 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, or to access National Grid's Basic Service rates, please visit colonialpowergroup.com/west-brookfield or call Dynegy at (866) 220-5696. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

National Grid has several programs to help income-eligible families and customers needing special assistance meet their energy needs. To learn more, please visit nationalgridus.com/MA-Home/Bill-Help/Payment-Assistance-Programs.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against National Grid Basic Service. However, such savings and future savings cannot be guaranteed.
