ARTICLE 2 RIGHTS GRANTED

2.1 GENERAL DESCRIPTION AND LIMITATIONS

Competitive Supplier is hereby granted the exclusive right to provide All-Requirements Power Supply to Participating Consumers pursuant to the terms of the Program and this ESA. For the avoidance of doubt, Competitive Supplier shall be authorized to supply All-Requirements Power Supply only to Participating Consumers, and the Local Distributor will continue to have the right and obligation to supply electricity to Eligible Consumers who opt-out of the Program and remain on, or return to, Basic Service, until changes in law, regulation or policy may allow otherwise. Competitive Supplier further recognizes that this ESA does not guarantee that any individual Eligible Consumer will be served by the Competitive Supplier.

The Town authorizes the Competitive Supplier on behalf of the Town and any Participating Consumers to take any and all actions as the Competitive Supplier determines may be necessary to permit switching and enrollment in accordance with Department regulations, the Competitive Supplier's and the Local Distributor's rules and terms hereof. The Town further authorizes the Competitive Supplier to remove any Participating Consumer from the Program if, in the Competitive Supplier's sole discretion, such Participating Consumer breaches the terms of this ESA including without limitation any terms or conditions of Exhibit A.

In accordance with Article 3 below, all Eligible Consumers shall be automatically enrolled in the Program unless they choose to opt-out. In the event the geographic boundaries of the Town change during the term of this ESA, Competitive Supplier shall only be obligated to supply All-Requirements Service to those Participating Consumers located within the Town as such boundaries existed on the Effective Date of this ESA. As between the Parties, the Competitive Supplier has the sole obligation of making appropriate arrangements with the Local Distributor, and any arrangements which may be necessary with the ISO-NE so that Participating Consumers receive the electricity supplies to be delivered pursuant to this ESA.

The Town shall specifically authorize the Local Distributor to provide, and Competitive Supplier shall have the right to obtain and utilize as required, all billing, energy and other consumption information for Participating Consumers as is reasonably available from the Local Distributor or which is necessary for the Competitive Supplier to perform its obligations under this ESA. Competitive Supplier shall request consumption data for individual Participating Consumers from the Local Distributor via EDI. If further action is required by the Local Distributor or the Competitive Supplier to authorize Competitive Supplier to receive such consumption and billing data, the Town agrees to use Commercially Reasonable efforts, at Competitive Supplier's cost, to assist Competitive Supplier, if so requested by it, in obtaining such information for Participating Consumers, including, without limitation, assisting Competitive Supplier in obtaining permission

from such Eligible Consumers and/or the Department, where necessary as a prerequisite to the provision of such information. Competitive Supplier shall not be responsible for any errors that Competitive Supplier makes in the provision of All-Requirements Power Supply to the extent such errors are caused by errors or omissions in the information provided to it by the Local Distributor or the Town.

2.2 NO THIRD PARTY BENEFICIARIES/AGENCY RELATIONSHIP

This ESA does not and is not intended to confer any rights or remedies upon any person other than the Parties except as otherwise set forth under the ESA. This ESA facilitates rights under M.G.L. c. 164 for Eligible Consumers to purchase electricity from the Competitive Supplier in accordance with the Plan and this ESA. The Town has the right, but not the obligation, to advocate on behalf of the Eligible Consumers interested in contracting for electric supply and on behalf of all Participating Consumers, unless otherwise prevented by law.

The Town is authorized to act on behalf of the Eligible Consumers in contracting for electric supply for such Eligible Consumers, and is authorized to act as agent for all Participating Consumers. The Town and Competitive Supplier agree and understand that Participating Consumers shall be principals under this ESA and shall have privity of contract with Competitive Supplier; *provided, however*, that in any litigation arising under this ESA, only the Town, as agent for the Participating Consumers, has the right to bring claims against the Competitive Supplier.

2.3 COMPLIANCE WITH LAWS

By entering into this ESA, the Parties specifically represent that they have exercised due diligence to review and have fully complied with all relevant regulations and orders of the Federal Energy Regulatory Commission (“FERC”), the Department, Massachusetts Attorney General (“AG”), and the Massachusetts Department of Energy Resources (“DOER”) and any other Governmental Authorities having jurisdiction over any element of the transactions contemplated by this ESA.

2.4 CONDITIONS PRECEDENT

The Town’s obligations under this ESA shall be conditioned upon the Competitive Supplier fulfilling the following requirements:

- a) maintain Competitive Supplier’s license from the Department (as such term is defined in the Local Distributor’s Terms and Conditions for Competitive Suppliers);
- b) execute a Competitive Electric Supplier Service Agreement with the Local Distributor in a form reasonably satisfactory to Competitive Supplier;
- c) execute any appropriate ISO-NE applications and agreements;
- d) obtain authorization from the FERC to sell power at market-based rates; and
- e) complete EDI testing with Local Distributor;
- f) provide all other documentation required by the Local Distributor.

If Competitive Supplier has not fulfilled all such requirements by the Service Commencement Date, either Party may terminate this ESA without any liability to the other Party.

2.5 OWNERSHIP AND USE OF ELIGIBLE CONSUMER DATA

Competitive Supplier acknowledges that the Town shall have exclusive ownership of all right, title, and interest in and to all Eligible Consumer data (including addresses, telephone numbers or other identifying information) made available to Competitive Supplier as a result of execution of this ESA. Competitive Supplier shall use Eligible Consumer data solely to provide All-Requirements Power Supply to Participating Consumers and to render other services required or permitted under this ESA. Any other use of Eligible Consumer data without the prior written consent of the Town is strictly prohibited. Pursuant to such authorized use, Competitive Supplier may share such Eligible Consumer data with affiliates and third-party vendors as reasonably necessary to accommodate Competitive Supplier's provision of All-Requirements Power Supply or other performance pursuant to this ESA (including, without limitation, collection of receivables), provided that Competitive Supplier will take reasonable measures to inform any such vendor of the confidential nature of such data and the restrictions set forth in this Article 2.5 and elsewhere in this ESA. Except as in connection with the performance of this ESA or the taking of actions permitted by this ESA, Competitive Supplier shall not disclose any Eligible Consumer data to any third-party and Competitive Supplier shall take Commercially Reasonable measures to protect Eligible Consumer data from access by, or beneficial use for, any third-party. To the extent that the provision of All-Requirements Power Supply or other services under this ESA requires that Competitive Supplier have access to or make use of any Eligible Consumer data, Competitive Supplier shall treat such Eligible Consumer data as confidential information. Competitive Supplier may use Eligible Consumer data to engage in direct marketing only during the term of this ESA and subject to the terms set forth in Article 18.2. A material violation of this Article 2.5 shall be grounds for termination under Article 4.2(a). Competitive Supplier agrees violation of this Article 2.5 shall constitute irreparable harm.

The Competitive Supplier may only communicate with Participating Consumers and/or use the lists of Eligible Consumers and Participating Consumers to send Department-approved educational materials, opt-out notices or other communications essential to the operation of the Program. Such lists may not be used by the Competitive Supplier to market any additional products or services to Eligible Consumers or Participating Consumers.

ARTICLE 3 CONSUMER CHOICE, NOTIFICATION OF RIGHTS, ENROLLMENT

3.1 CONSUMER CHOICE

The Parties acknowledge and agree that all Participating Consumers have the right, pursuant to M.G.L. c. 164, § 134 and the Program, to change their source of electricity supply, as set forth in Article 2.1. The Parties represent and warrant to each other that they shall not obstruct the right of Participating Consumers to opt-out of the Program, and shall comply with any rules, regulations or policies of the Department, the Local Distributor and/or other lawful Governmental Authority regarding the procedures for opting out or of switching from one source of electric supply to another. Notwithstanding the foregoing, however, the Parties may take Commercially Reasonable measures to encourage Participating Consumers to affirmatively agree to remain in the Program, consistent with any Governmental Rules.

3.2 NOTIFICATION TO NEW CONSUMERS OF OPT-OUT RIGHTS

Consistent with the requirements of any applicable Governmental Rules, and within a reasonable time after the Local Distributor notifies Competitive Supplier of the existence of a New Consumer and has provided to Competitive Supplier such New Consumer's account number, service and billing address, and other pertinent contact information, Competitive Supplier shall notify such New Consumer (i) of the date on which such New Consumer will be automatically enrolled in the Program, and (ii) that the Competitive Supplier will be providing All-Requirements Power Supply to such New Consumer as of the same date, subject to the opt-out provisions of the M.G.L. c. 164, § 134, the Plan, and the Program ("Opt-Out Notice"). The Opt-Out Notice shall be mailed to each such New Consumer prior to the date of automatic enrollment. The Competitive Supplier, using the Opt-Out Notice approved by the Department, shall: (i) prominently state all charges to be assessed by the Competitive Supplier; (ii) provide a summary of the prices and terms of service included in Exhibit A as well as fully disclose the prices and terms then being offered for Basic Service by the Local Distributor; (iii) state how such New Consumer may opt-out of the Program prior to enrollment and remain on Basic Service from the Local Distributor; and (iv) state how all Participating Consumers, subsequent to enrollment, will also have the right to opt-out at any time and return to Basic Service or choose a new Competitive Supplier without paying a fee or penalty to Competitive Supplier. All such notices must be approved in advance by the Town, such approval not to be unreasonably withheld. The Town agrees to take such further actions as the Competitive Supplier may reasonably request in connection with the Competitive Supplier's performance of this ESA.

The above procedures also apply to New Consumers that are subsequent to the initial enrollment; however, it is the responsibility of the Competitive Supplier to request the subsequent New Consumer's pertinent information from the Local Distributor, through the Town, Colonial Power Group, Inc. ("CPG") or their agent or consultant. Competitive Supplier shall mail Opt-Out Notices to New Consumers in accordance with the Refresh Schedule in Exhibit D. Any modifications to the Refresh Schedule must be agreed to in writing by Competitive Supplier and the Town.

The Competitive Supplier is responsible for all mailings and mailing costs associated with consumer notification whether it be for the initial enrollment or subsequent enrollments, and will use commercially reasonable efforts to complete the initial opt out mailing for service to commence as of the Service Commencement Date. The Competitive Supplier will maintain a complete list of opt-outs throughout the life of the contract whether received prior to the initial enrollment or after accounts have been enrolled. Upon request, the Competitive Supplier will make this opt-out list available to the Town or its agent. The Competitive Supplier will conduct subsequent opt-out mailings in the timeframe necessary as reasonably directed by the Town or its agent.

In providing the notifications set forth in this Article 3.2, and in otherwise conducting the activities in Article 3.4 below, the Town and the Competitive Supplier must rely upon information provided to it by the Town, CPG or their agent or consultant for the purpose of performing its obligations. Competitive Supplier will not be responsible for any errors or omissions in connection with its notification of Eligible Consumers resulting from errors or omissions in the information provided to it by the Town, CPG or their agent or consultant. For clarification purposes, all mailing lists

(initial and subsequent) to receive notices pursuant to this Section 3.2 shall be requested by the Town, CPG or their agent or consultant from the Local Distributor and shared with Competitive Supplier. The Town, CPG and their agent and/or consultant acknowledge that the Competitive Supplier shall not be responsible for requesting mail listings directly from the Local Distributor.

3.3 CONSUMER AWARENESS

Upon mutual agreement concerning the content and method, either the Competitive Supplier or CPG may conduct consumer awareness efforts at its sole expense. Any such efforts must be consistent with the Education and Information Plan included in the Department-approved Plan.

3.4 ENROLLMENT

3.4.1 Participating Consumers - All Participating Consumers as of the Effective Date will continue to be enrolled in the Program under the terms of this ESA unless they opt-out in accordance with this ESA and the Governmental Rules. Within one (1) day after the Effective Date, the Town shall (or authorize the Local Distributor to) provide to Competitive Supplier a list of Eligible Consumers as of the Effective Date, as well as such Eligible Consumers' service and billing addresses, and any other information necessary for Competitive Supplier to commence All-Requirements Power Supply as of the Service Commencement Date.

3.4.2 New Consumers - If New Consumers elect not to opt-out of the Program as provided in Article 3.2, such New Consumers will be automatically enrolled by Competitive Supplier in the Program as an Eligible Customer. Competitive Supplier shall enroll such New Consumers in accordance with applicable Local Distributor rules.

3.4.3 Large Industrial Consumers - Competitive Supplier may provide All-Requirements Power Supply to such Large Industrial Consumers at Competitive Supplier's sole discretion based on the then market rate. For clarification purposes, in determining if any consumer meets either (i) and (ii) above, Competitive Supplier shall aggregate a consumer's load across all its accounts during any 12 month period.

3.4.4 Eligible Consumers Opting Out - At any time during the Term of this ESA, Eligible Consumers who have previously opted out of the Program, with the exception of Large Industrial Consumers, may request that they be re-enrolled in the Program. Competitive Supplier may provide All-Requirements Power Supply to such Eligible Consumers at the Retail Price applicable for the Product selected. Large Industrial Consumers who have previously opted out of the Program may request to be enrolled in the Program, and Competitive Supplier may provide All-Requirements Power Supply to such Large Industrial Consumers at the Retail Price applicable for the Product selected or based on the then market rate for the Product selected.

3.4.5 Eligible Consumers Served by Third-Parties - Eligible Consumers being served under other competitive supply programs offered by third-parties will not be automatically enrolled as Participating Consumers under this ESA when such program terminates or is otherwise completed. Competitive Supplier agrees that, with the exception of Large Industrial Consumers, consumers under such third-party competitive supply programs who become Eligible Consumers may

affirmatively opt-in and receive All-Requirements Power Supply at the Retail Price applicable for the Product selected. Large Industrial Consumers that were being served under such third-party competitive supply programs and become Eligible Consumers may request to be enrolled in the Program, and Competitive Supplier may provide All-Requirements Power Supply to such Large Industrial Consumers at the then market rate for the Product selected.

ARTICLE 4 TERM OF CONTRACT AND TERMINATION

4.1 TERM

This ESA shall commence on the Effective Date, *provided, however*, that Competitive Supplier's obligation to provide All-Requirements Power Supply shall commence on the Service Commencement Date, and shall terminate with the Participating Consumers' first meter read dates for the month of December 2023, unless terminated earlier under Article 4.2 below ("Term"); provided, however, the Competitive Supplier will only begin service to Participating Consumers after such Participating Consumer has been enrolled by the Competitive Supplier and the Participating Consumer has been switched by the Local Distributor to the Competitive Supplier in accordance with all Governmental Rules. It may take up to two billing cycles for the enrollment with the Competitive Supplier to take effect. The Competitive Supplier is not responsible for any failure or delay in enrolling any Participating Consumer. The Town shall provide such cooperation, assistance, documents, authorizations, instruments and other information as reasonably requested by the Competitive Supplier to permit the enrollment and servicing of Participating Consumers in the Program, including without limitation, designating the Competitive Supplier as the Competitive Supplier's and/or the Participating Consumers' attorney-in-fact for all purposes hereunder.

4.2 TERMINATION

This ESA may be terminated at any time upon written notice:

- a) by the Town, or the Competitive Supplier, if either Party fails to remedy or cure any breach of any material provision or condition of this ESA (including, but not limited to, Article 2.5 and Article 9, but excluding the failure to provide or arrange for All-Requirements Power Supply, which is addressed in Article 4.2(c)), within sixty (60) days following written notice to do so by the non-breaching party; or
- b) by the Town, or the Competitive Supplier, if any material provision or condition of this ESA be finally adjudged invalid by any court of competent jurisdiction, or if the Department exercises any lawful jurisdiction so as to invalidate or disapprove this ESA in whole or in significant part; or
- c) by the Town in the event of the failure of the Competitive Supplier to provide or arrange for All-Requirements Power Supply to Participating Consumers, in the absence of Force Majeure or the Town's failure to perform within ten (10) days following written notice by the Town and opportunity to cure; provided, however, that the Town shall not be permitted to terminate this ESA if the Competitive Supplier's failure to provide or arrange All-Requirements Power Supply is a direct result of actions or non-actions

by any transmission service provider, the Local Distributor, or the ISO-NE or a Governmental Authority.

4.3 OBLIGATIONS UPON TERMINATION

Following termination of this ESA, the Parties shall each discharge by performance all obligations due to any other Party that arose up to the date of termination of the ESA. Upon the effective date of termination of the ESA, all rights and privileges granted to, and obligations imposed on, the Competitive Supplier shall cease, with the exception of the right to collect all monies due for services rendered. It may take up to two billing cycles to transfer Participating Consumers to another provider and the Competitive Supplier is entitled to all payment for All-Requirements Power Supply provided whether before or after the date of termination.

4.4 SPECIFIC PERFORMANCE

Notwithstanding any other provision herein, the Parties agree that if the Town (i) fails to comply with any material provision of, or obligation under, this ESA, including but not limited to the provisions of Article 6, (ii) seeks to modify, suspend or terminate the Program during the Term, or (iii) seeks to terminate this ESA except as expressly authorized in Article 4.2 or otherwise breaches or fails to perform any provision of this ESA, the Competitive Supplier shall be entitled to specific performance of this ESA. The Parties acknowledge and agree that monetary damages would be inadequate to compensate Competitive Supplier, and that there is no other remedy at law adequate to compensate Competitive Supplier for the Town's actions as described in (i), (ii) and/or (iii), and further agree that Competitive Supplier will suffer irreparable harm if the Town takes any of the actions described in (i), (ii) or (iii) herein.

4.5 EXTENSION

The ESA may be extended beyond the termination date established in Article 4.1 by mutual, written agreement of the Parties. Any new pricing terms shall be added to and replace Exhibit A as Exhibit A-1. Upon any such extension, this ESA shall continue to be in effect, and all provisions of the ESA shall retain the same force and effect as before the extension, unless it is terminated by either Party pursuant to the provisions of Article 4.2 or until the date stated in such extension.

ARTICLE 5 CONTINUING COVENANTS

The Competitive Supplier agrees and covenants to perform each of the following obligations during the term of this ESA.

5.1 STANDARDS OF MANAGEMENT AND OPERATIONS

In performing its obligations hereunder, during the term of this ESA, the Competitive Supplier shall exercise reasonable care to employ an adequate number of competently trained and experienced personnel to carry out its responsibilities; that it delivers or arranges to deliver a safe and reliable supply of such amounts of electricity to the Point of Delivery as are required under this ESA; that it complies in all material respects with all relevant industry standards and practices

for the supply of electricity to Participating Consumers; and that, at all times with respect to Participating Consumers, it exercises good practice for a Competitive Supplier and employs Commercially Reasonable skills, systems and methods available to it.

5.2 CUSTOMER SERVICE ACCESS

The Competitive Supplier shall provide, or cause to be provided, certain customer services to Participating Consumers. Such services shall be reasonably accessible to all Participating Consumers, shall be available during normal working hours, shall allow Participating Consumers to transact business they may have with the Competitive Supplier, and shall serve as a communications liaison among the Competitive Supplier, the Town, and the Local Distributor. A toll-free telephone number shall be, on or before the Effective Date, established by Competitive Supplier and be available for Participating Consumers to contact Competitive Supplier during normal business hours (9:00 A.M. - 5:00 P.M. Eastern Standard Time, Monday through Friday) to resolve concerns, answer questions and transact business with respect to the service received from Competitive Supplier. The Town will post program-related information on the Town's website which will be available to Participating Consumers for general information, product and service information, and other purposes.

5.3 RESPONDING TO REQUESTS FOR INFORMATION

To the extent authorized by the Participating Consumer(s) and to the extent such individual permission is required by law, the Competitive Supplier shall, during normal business hours (as set forth above), respond promptly and without charge therefore to reasonable requests of the Town for information or explanation regarding the matters covered by this ESA and the supply of electricity to Participating Consumers. Competitive Supplier agrees to designate a service representative or representatives (the "Service Contacts") who shall be available for these purposes, and shall identify the office address and telephone number of such representative(s). Whenever necessary to comply with this Article 5.3, the Service Contacts shall call upon other employees or agents of the Competitive Supplier to obtain such information or explanation as may be reasonably requested. Nothing in this Article 5.3 shall be interpreted as limiting the obligation of the Competitive Supplier to respond to complaints or inquiries from Participating Consumers, or to comply with any regulation of the Department or AG regarding customer service.

5.4 ARRANGING FOR FIRM ALL-REQUIREMENTS POWER SUPPLY

Competitive Supplier shall participate in or make appropriate arrangements with the ISO-NE, any relevant regional transmission organization, wholesale suppliers or any other entity to ensure an uninterrupted flow of All-Requirements Power Supply to the Local Distributor for delivery to Participating Consumers. In the event the Competitive Supplier is unable to deliver sufficient electricity to the grid to serve Participating Consumers, the Competitive Supplier shall utilize such arrangements as may be necessary to continue to serve Participating Consumers under the terms of this ESA, and shall bear any costs it may incur in carrying out these obligations. Competitive Supplier shall not be responsible to the Town or any Participating Consumers in the event the Local Distributor disconnects, curtails or reduces service to Participating Consumers (notwithstanding whether such disconnection is directed by the ISO-NE) in order to facilitate

construction, installation, maintenance, repair, replacement or inspection of any of the Local Distributor's facilities, to maintain the safety and reliability of the Local Distributor's electrical system, or due to any other reason, including emergencies, forced outages, potential overloading of the Local Distributor's transmission and/or distribution circuits, *Force Majeure* or the non-payment of any distribution service costs or other such costs due for services provided by the Local Distributor to a Participating Consumer.

5.5 NON-DISCRIMINATORY PROVISION OF SERVICE

Competitive Supplier shall supply electric energy to the Point of Delivery to all Participating Consumers on a non-discriminatory basis; provided, however, that those prices and other terms may vary in accordance with reasonably established rate classifications (e.g., residential, commercial, municipal, industrial) or by such other categories or terms as appear in Exhibit A. To the extent applicable, Competitive Supplier's prices, terms and conditions shall be in accordance with the Massachusetts General Laws, the regulations of the Department, and other applicable provision of law. To the extent required by law and/or the conditions of any Department approval of this ESA, the Competitive Supplier may not deny service to an Eligible Consumer for failure to pay the bills of any other electric company (whether engaged in the distribution, transmission, or generation of electricity) or of any other aggregator, marketer or broker of electricity, but may reasonably deny or condition new service, or terminate existing service, based upon any Participating Consumer's failure to pay bills from the Competitive Supplier, subject to any provisions of law. Provision of electric energy supply shall be subject to Competitive Supplier's standard credit policies, to the extent permitted by law, as described in Exhibit A.

5.6 APPROVAL OF GENERAL COMMUNICATIONS

Competitive Supplier shall reasonably cooperate with the Town in the drafting and sending of messages and information to Eligible Consumers concerning the Program or any matter arising under or related to this ESA. Prior to sending any direct mail, advertising, solicitation, bill insert, electronic mail, or other similar written or electronic communication (collectively, "General Communications") to Participating Consumers (but excluding individually drafted or tailored communications responding to the specific complaint or circumstance of an individual consumer), Competitive Supplier shall provide a copy of such General Communication to the Town for its review to determine whether it is consistent with the purposes and goals of the Town. The Town shall have the right to disapprove such General Communications and suggest revisions if it finds the communication inconsistent with the purposes and goals of the Town, factually inaccurate or likely to mislead; provided, however, that the Town's approval shall not be unreasonably withheld and: (i) that the communication shall be deemed approved if the Town fails to respond within seven (7) calendar days (not including weekends and holidays); and (ii) that no approval shall be necessary for any communication (a) regarding any emergency situation involving any risk to the public health, safety or welfare; (b) which has been approved by the Department, the DOER, or any other Governmental Authority; or (c) in the nature of routine monthly or periodic bills, or collection notices, except that any bill insert or message included at the bottom of such bill not within the scope of (a) or (b) above shall require approval (not to be unreasonably withheld). If the Town objects to any General Communication on the grounds it is inconsistent with the purposes and goals of the Town, the Competitive Supplier, after consultation as provided in this Article 5.6,

may nevertheless elect to send such General Communication provided that it: (i) clearly indicates on such mailing that it has not been endorsed by the Town, (ii) has previously provided all Participating Consumers a meaningful chance to opt not to receive such General Communications, (iii) has stated in connection with such chance to opt not to receive such communications that “the Town wants to protect Eligible Consumers from receiving marketing materials if you do not wish to do so,” and (iv) has otherwise sought input from the Town as to the means by which Eligible Consumers are given a chance to remove their names from any list which may receive General Communications. The Town may reject or exclude any proposed General Communication that, in its reasonable judgment, is contrary to the interests and objectives of the Program or the Town; provided, however, any such right of rejection or exclusion shall not apply to Competitive Supplier’s notice to exercise or enforce its rights under the ESA or Customer Agreement, including but not limited to any notice of Force Majeure or Change in Law.

The Competitive Supplier may only communicate with Participating Consumers and/or use the lists of Eligible Consumers and Participating Consumers to send Department-approved educational materials, opt-out notices or other communications essential to the operation of the Program. Such lists may not be used by the Competitive Supplier to market any additional products or services to Eligible Consumers or Participating Consumers.

5.7 COMMUNICATION OF INSERTS AND MESSAGES

Competitive Supplier agrees that if it communicates with Participating Consumers directly, and unless prevented for regulatory or other such reasons from doing so, it shall allow the Town to include no less than three (3) inserts per year into such communications, provided that the Town pays the cost of printing and reproducing such insert and any incremental postage or handling costs the Competitive Supplier may incur as a result of including such insert. Competitive Supplier shall have the right to disapprove such General Communications (that is communications other than those pertaining to the Town’s demand-side management, energy efficiency programs and technology, and renewable energy programs, if applicable) and suggest revisions if it finds the communication inconsistent with its business interests, factually inaccurate or likely to mislead; provided, however: (i) that the communication shall be deemed approved if the Competitive Supplier fails to respond within seven (7) calendar days after receipt (not including weekends and holidays); and (ii) that no approval shall be necessary for any communication which has been ordered by the Department, the DOER, or any other Governmental Authority to be so communicated.

The Competitive Supplier may only communicate with Participating Consumers and/or use the lists of Eligible Consumers and Participating Consumers to send Department-approved educational materials, opt-out notices or other communications essential to the operation of the Program. Such lists may not be used by the Competitive Supplier to market any additional products or services to Eligible Consumers or Participating Consumers.

5.8 PARTICIPATING CONSUMER LISTS

To the extent authorized by any Participating Consumers and not prohibited by any Governmental Rule, the Competitive Supplier shall, upon written request of the Town, provide a list of the

Participating Consumers being served by the Competitive Supplier, including such reasonable identifying and aggregate consumption information as the Town may also request to the extent such information is available to Competitive Supplier. Competitive Supplier shall provide such Participating Consumer lists in an electronic format reasonably acceptable to both Parties and with no more frequency than once a month.

5.9 COMPLIANCE WITH LAWS

The Parties shall promptly and fully comply with all existing and future Governmental Rules of all Governmental Authorities having jurisdiction over the activities covered by this ESA.

5.10 CONSENT

Whenever performance of an obligation of any Party hereto requires the consent or approval of any Governmental Authority, such Party shall make Commercially Reasonable efforts to obtain such consent or approval. In the event the Competitive Supplier requests the Town's assistance in obtaining such consent or approval and the Town anticipates that it will incur costs in fulfilling the Competitive Supplier's request, it shall give the Competitive Supplier an estimate of such costs. Upon receiving the estimate, Competitive Supplier shall determine if it continues to request the Town's assistance, and if so, the Competitive Supplier shall reimburse the Town for all costs, up to the estimated dollar amount, reasonably incurred by the Town in connection with such efforts.

ARTICLE 6 ROLE OF THE TOWN

Under this ESA, the Town shall not actually receive, take title to, or be liable for the supply or delivery of All-Requirements Power Supply in any manner whatsoever. The Parties specifically agree that the role of the Town is to set the terms and conditions under which All-Requirements Power Supply will be provided by the Competitive Supplier under this ESA and to ensure that the Competitive Supplier complies with those terms and conditions. It is the obligation of the Competitive Supplier to arrange for delivery of All-Requirements Power Supply to Participating Consumers at the Delivery Point. The Parties agree that Town is not a "distribution company", "electric company", "generation company" or "transmission company" within the meaning of M.G.L. c. 164, § 1 as a result of this ESA, unless a court, the Department, or other lawful authority shall adjudicate to the contrary; provided, however, that the Town may be considered to be operating a municipal load aggregation plan pursuant to M.G.L. c. 164, § 134. The Competitive Supplier hereby agrees that it will take no action that would make the Town liable to any Participating Consumer due to any act or failure to act on the part of the Competitive Supplier relating to the delivery or supply of All-Requirements Power Supply.

ARTICLE 7 PRICES AND SERVICES; BILLING

7.1 SCHEDULE OF PRICES AND TERMS

Competitive Supplier agrees to provide All-Requirements Power Supply and other related services as expressly set forth herein in accordance with the prices and terms included in Exhibit A to this ESA, which Exhibit is hereby incorporated by reference into this ESA.

7.2 OBLIGATION TO SERVE

As between the Parties, Competitive Supplier has the sole obligation to obtain sources of supply, whether from generating facilities owned or controlled by its affiliates, through bilateral transactions, or the market, as may be necessary to provide All-Requirements Power Supply for all of the Participating Consumers under the Program. Competitive Supplier, except as explicitly limited by the terms included in Exhibit A, shall be obligated to accept all Participating Consumers, regardless of their location or energy needs, subject to Competitive Supplier's standard credit policies (to the extent permitted by law), Article 5.5 hereof, Exhibit A hereof and the terms of any applicable approval or other order of the Department with respect to this ESA.

7.3 METERING

In accordance with the Local Distributor's Terms and Conditions for Competitive Suppliers Sections 3B(6) and 7A, the Local Distributor will be responsible for any metering which may be required to bill Participating Consumers.

7.4 TERMS AND CONDITIONS PERTAINING TO INDIVIDUAL ACCOUNT SERVICE

7.4.1 Title

Title to All-Requirements Power Supply will transfer from Competitive Supplier to Participating Consumers at the Point of Sale. In accordance with the Local Distributor's Terms and Conditions for Municipal Aggregators (M.D.P.U. No. 1421) and Terms and Conditions for Competitive Suppliers (M.D.P.U. No. 1420) the Competitive Supplier will be responsible for any and all line losses incurred on the local network transmission systems and distribution systems, as determined by the Local Distributor.

7.4.2 Billing and Payment

Unless otherwise specified in an Exhibit to this ESA, all billing under this ESA shall be based on the meter readings of each Participating Consumer's meter(s) performed by the Local Distributor. Competitive Supplier shall, or shall cause the Local Distributor or any other entity, to prepare and mail bills to Participating Consumers monthly. If the Competitive Supplier arranges for the Local Distributor to perform billing services, the Competitive Supplier shall adopt the billing and payment terms offered by the Local Distributor to its Eligible Consumers on Basic Service unless the Competitive Supplier and Local Distributor otherwise agree. If actual meter date is unavailable, the Competitive Supplier may bill based on its good faith estimates of usage, and any over-charge or under-charge will be accounted for in the next billing period for which actual meter data is available.

7.4.3 Regional and Local Transmission

The prices quoted in Exhibit A do not include current and future charges for distribution service costs collected by the Local Distributor under its distribution service tariff or local transmission

costs as may be imposed by the regional power pool, ISO-NE, or individual electric utilities that have FERC transmission tariffs or other amounts as described in Exhibit A. The Competitive Supplier understands that these costs will be collected by the Local Distributor. If, in the future, Competitive Supplier becomes responsible for such distribution or transmission costs, Competitive Supplier shall be entitled to collect such costs from Participating Consumers to the extent permitted by any Governmental Rules. These costs are “pass through” costs as determined by the appropriate regulatory agencies.

7.4.4 Taxes

All sales, gross receipts, excise or similar taxes imposed with respect to the sale or consumption of All-Requirements Power Supply required to be collected by the Competitive Supplier shall be included on the Participating Consumer’s bill and shall be remitted to the appropriate taxing authority by Competitive Supplier. Participating Consumers shall be responsible for all taxes (except for taxes on Competitive Supplier’s income) associated with sales under the ESA. Participating Consumers shall be responsible for identifying and requesting any exemption from the collection of any tax by providing appropriate documentation to Competitive Supplier.

ARTICLE 8 DEVELOPMENT OR OFFERING OF RENEWABLE ENERGY SOURCES

Competitive Supplier agrees that it will comply with the applicable provisions of M.G.L. c. 25A, § 11F, § 11 F1/2, and any regulations, orders or policies adopted pursuant thereto.

ARTICLE 9 SERVICE PROTECTIONS FOR RESIDENTIAL CONSUMERS

Competitive Supplier agrees that it shall comply with the provisions of 220 C.M.R. 25.00, 27.00, 28.00 and 29.00, as applicable to Competitive Suppliers, and any amendments thereto, and any code of conduct or policies the Department may adopt in accordance with M.G.L. c. 164, § 1F(7). The Competitive Supplier shall, on or before December 2022, provide a written, detailed description of its billing and termination procedures, customer services, confidentiality and related practices and procedures for approval by the Town (which approval shall not be unreasonably withheld). Such written description shall also include the Competitive Supplier’s plans for maintaining “service quality standards”, as that phrase is used in § 1F(7); for complying with the “affirmative choice” requirements of § 1F(8); and for handling consumer complaints, including any arbitration procedures. If the Participating Consumer(s) so permit(s) to the extent such permission is required by law or the terms of any Department order with respect to this ESA, the Competitive Supplier agrees to provide notice to the Town of any consumer complaints received from a Participating Consumer, and to grant the Town the right to participate in resolution of the dispute, to the extent that such complaints relate directly to the Program, and to the extent permitted by Department regulations and other applicable law. The failure to timely submit such written description, or the submission of practices and procedures which materially fail to comply with Department regulations and policies, shall be deemed grounds for termination of this ESA, at the discretion of the Town after providing written notice of such failure to the Competitive Supplier and allowing the Competitive Supplier sixty (60) days to cure such failure.

In addition, and in accordance with M.G.L. c. 164, § 1F(2) and 220 CMR 11.05(2)(b)19, in the event of a dispute regarding an invoice or Competitive Supplier's service under this ESA, a Participating Consumer may contact the Department, which may refer the dispute to the Massachusetts Office for Dispute Resolution for mediation of such dispute, if the amount in dispute is greater than one hundred dollars (\$100.00) and the subject of the dispute is within the Department's statutory and regulatory authority.

ARTICLE 10 NON-DISCRIMINATION IN HIRING AND EMPLOYMENT

Competitive Supplier agrees to conduct its operations and activities under this ESA in accordance with all applicable state and federal laws regarding non-discrimination in hiring and employment of employees.

The Town shall treat any reports and/or filings received from Competitive Supplier as confidential information subject to the terms of Article 16. Competitive Supplier shall be reimbursed its reasonable costs of providing such copies. Competitive Supplier may redact certain confidential aspects of such reports if it contains information of third parties.

ARTICLE 12 RESOLUTION OF DISPUTES; CHOICE OF LAW

12.1 CHOICE OF LAW

This ESA and the rights of the Parties shall be interpreted and determined in accordance with the laws of the Commonwealth of Massachusetts. Any litigation arising hereunder shall be brought solely in the appropriate federal court in Massachusetts or appropriate state court sitting in the Massachusetts county in which the Town is located, to whose jurisdiction the parties hereby assent, waiving all objections to venue or forum.

12.2 DISPUTE RESOLUTION

Unless otherwise provided for in this ESA, the dispute resolution procedures of this Article 12.2 shall be the exclusive mechanism to resolve disputes arising under this ESA. The Parties agree to use their respective best efforts to resolve any dispute(s) that may arise regarding this ESA. Any dispute that arises under or with respect to this ESA that cannot be resolved shall in the first instance be the subject of informal negotiations between the Parties involved in the dispute. The dispute shall be considered to have arisen when one Party sends the other Party(ies) involved in the dispute a written notice of dispute. The period for informal negotiations shall be fourteen (14) days from receipt of the written notice of dispute unless such time is modified by written agreement of the Parties involved in the dispute. In the event that the parties involved in the dispute cannot resolve a dispute by informal negotiations, the Parties agree to submit the dispute to mediation. Within fourteen (14) days following the expiration of the time period for informal negotiations, the Parties shall propose and agree upon a neutral and otherwise qualified mediator. In the event that the Parties fail to agree upon a mediator, the Parties shall request that the American Arbitration Association (AAA), Boston, Massachusetts, appoint a mediator and the mediation will be held in Boston, Massachusetts or other mutually agreed to venue. The period for mediation shall

commence upon the appointment of the mediator and shall not exceed sixty (60) days, unless such time period is modified by written agreement of the Parties. The decision to continue mediation shall be in the sole discretion of each party involved in the dispute. The Parties will bear their own costs of the mediation. The mediator's fees shall be shared equally by all parties involved in the dispute.

In the event that the Parties cannot resolve a dispute by informal negotiations or mediation, the Parties agree to submit such dispute to arbitration and agree that the arbitration process provided for in this Article 12.2 shall be the exclusive means for resolving disputes which the Parties cannot otherwise resolve through informal negotiation or mediation as described above. Any arbitration hereunder shall be conducted under the Commercial Rules of the AAA as modified herein. Arbitration proceedings shall take place in Boston, Massachusetts, before a single arbitrator who shall be an attorney with at least 20 years of experience in the energy industry, to be jointly selected by the Parties. If the Parties fail to agree upon an arbitrator within thirty (30) days, then either Party may apply to the American Arbitration Association's office in Washington, D. C. to select the arbitrator who must be an attorney at least twenty (20) years of experience in the energy industry. Unless otherwise agreed by the Parties, the dispute must be submitted to the arbitrator for determination within ninety (90) days from the date the arbitrator is selected and the arbitrator shall render his or her decision within thirty (30) days after such submission. Each Party shall use its best efforts and cooperation in order that the dispute is fully submitted to the arbitrator within such ninety (90) day period. All arbitration proceedings shall be confidential. Neither Party shall disclose any information about the evidence produced by the other Party in the arbitration proceedings, except in the course of judicial, regulatory, or arbitration proceeding, or as may be demanded by government authority or otherwise required by law or the rules of a national securities exchange. Before making any disclosure permitted by the preceding sentence, a Party shall give the other Party reasonable advance written notice of the intended disclosure and an opportunity to prevent disclosure. In connection with any arbitration provisions hereunder, each Party shall have the right to take the depositions of individuals including any expert witness retained by the other Party. Additional discovery may be had where the arbitrator so orders, upon a showing of need. Each Party bears the burden of persuasion of any claim or counterclaim raised by that Party. The arbitration provisions of this ESA shall not prevent any Party from obtaining injunctive or other equitable relief from a court of competent jurisdiction to enforce the obligations for which such Party may obtain provisional relief pending a decision on the merits by the arbitrator. Each of the Parties hereby consents to the jurisdiction of Massachusetts courts for such purpose. The arbitrator shall apply Massachusetts law as required under Article 12.1 and shall have authority to award any remedy or relief that a court of the State of Massachusetts could grant in accordance with applicable law and the terms of this ESA, except that the arbitrator shall have no authority to award punitive damages. All attorney's fees and costs of the arbitration shall be borne by the Party incurring such costs or fees except that upon application by the Prevailing Party, the arbitration shall award the Prevailing Party its attorney's fees and expenses to be paid by the other Party. Prevailing Party shall be defined for purpose of this Article 12.2 as the party to which the arbitrator issues an award of monetary damages or otherwise determines substantially prevailed on the merits in the arbitration. Any arbitration award shall be accompanied by a written statement containing a summary of the issues in controversy, a description of the award, and an explanation of the reasons for the award. The arbitrator's award shall be final, binding and non-appealable and judgment may be entered upon such award by any court of competent jurisdiction.

- g) no Bankruptcy is pending or threatened against the Town nor is the Town contemplating Bankruptcy.

ARTICLE 15 INSURANCE

In order to help support the indemnifications provided in Article 13, and its other promises and covenants stated herein, Competitive Supplier shall secure and maintain, at its own expense, throughout the term of this ESA, unless otherwise specified, comprehensive commercial general liability insurance or its equivalent of at least \$4,000,000 combined single limit with insurers and with Town included as additional insured. Competitive Supplier shall provide the Town with evidence, reasonably satisfactory to the Town, of its required insurance hereunder, upon request.

ARTICLE 16 CONFIDENTIALITY

The Town shall act in accordance with the provisions of M.G.L. Chapter 4, Section 7, and M.G.L. Chapter 66, Section 10, and other applicable statutes, if any, relative to any requests for public information concerning this Agreement received from a third party.

Each Party shall keep confidential, and shall not disseminate to any third party (other than such Party's affiliates) or use for any other purpose (except with written authorization, such authorization not to be unreasonably withheld), any information received from the other that is confidential or proprietary in nature unless legally, compelled (by deposition, inquiry, request for production of documents, subpoena, civil investigative demand or similar process, or by order of a court or tribunal of competent jurisdiction, or in order to comply with applicable rules or requirements of any stock exchange, government department or agency or other Governmental Authority, or by requirements of any securities law or regulation or other Governmental Rule) or as necessary to enforce the terms of this ESA. The Party receiving confidential or proprietary information shall have no obligation with respect to such information which: (i) is or becomes generally available to the public other than as a result of disclosure by the receiving Party; (ii) was in its possession prior to disclosure hereunder and which was not acquired directly or, to the Party's knowledge, indirectly from the disclosing Party; (iii) was received from a non-party to this ESA who to the receiving Party's knowledge, was not subject to a confidentiality agreement or fiduciary obligation regarding information; (iv) was independently developed by the receiving Party without reference to the information; or (v) is required to be publicly reported under any U.S. or state securities law.

Either Party may disclose the terms of this ESA to its affiliates, and to its and officers, directors, employees, attorneys, accountants and third party vendors as reasonably necessary to accommodate Competitive Supplier's provision of All-Requirements Power Supply or other performance pursuant to this ESA, and otherwise to entities that have executed a non-disclosure certificate or agreement in a form mutually acceptable to the Parties. This Article 16 shall survive the termination of this ESA for a period of two (2) years.

If either Party is compelled to disclose any confidential information of the other Party, such Party shall request that such disclosure be protected and maintained in confidence to the extent reasonable under the circumstances and use Commercially Reasonable efforts to protect or limit disclosure with respect to commercially sensitive terms. In addition, notwithstanding the public records laws referenced above, such Party shall provide the other Party with prompt notice of the requirement to disclose confidential information in order to enable the other Party to seek an appropriate protective order or other remedy, and such Party shall consult with the other Party with respect to the other Party taking steps to resolve the scope of any required disclosure. In the event the Competitive Supplier requests the Town's assistance in protecting the confidentiality of information and the Town anticipates that it will incur costs in fulfilling the Competitive Supplier's request, it shall give the Competitive Supplier an estimate of such costs. Upon receiving the estimate, Competitive Supplier shall determine if it continues to request the Town's assistance, and if so, the Competitive Supplier shall reimburse the Town for all costs, up to the estimated amount, reasonably incurred by the Town in connection with such efforts.
