THE TOWN OF PEMBROKE'S COMMUNITY CHOICE POWER SUPPLY PROGRAM

The Town of Pembroke is announcing the new rates and term for its Community Choice Power Supply Program through its new electricity supplier, **First Point Power**. The Town's new aggregation rates are fixed **for all rate classes for 24 months** as follows:

| Program Product | Term | New Rate (Supply Only) | Renewable Energy Content |
|--------------------|--------------------------------|------------------------|--|
| Standard (default) | November 2023 to November 2025 | \$0.14750 per kWh | Meets MA renewable energy requirements |
| Optional Green 50 | November 2023 to November 2025 | \$0.16764 per kWh | 50% MA Class I RECs above minimum state requirements |
| Optional Green 100 | November 2023 to November 2025 | \$0.17723 per kWh | 100% MA Class I RECs |

[Rates apply to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]

For comparison purposes, Eversource's Residential Basic Service rate is fixed at \$0.16078 per kWh from July 1, 2023 through December 31, 2023. Eversource's rates will change on January 1, 2024 and should be known in late-November. Historically, Eversource's winter rates have been higher than their summer rates. The Town expects that will be the case again this winter, providing an opportunity for continued savings.

It is important to note that **no action will be required** by individual consumers. All accounts currently enrolled in the Town's Program will be switched to First Point as of the November 2023 meter reads. This change will be noted on the November 2023 bills and will be seen on the December 2023 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, to change your current product selection, or to access Eversource's Basic Service rates, please visit colonialpowergroup.com/pembroke or call First Point at (888) 875-1711. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource Basic Service. However, such savings and future savings cannot be guaranteed.
