THE CITY OF PITTSFIELD'S COMMUNITY CHOICE POWER SUPPLY PROGRAM

The City of Pittsfield is announcing the new rates and term for its Community Choice Power Supply Program through its current electricity supplier, **Dynegy Energy Services**. The City's new aggregation rates are fixed **for all rate classes for 24 months** as follows:

Program Product	Term	New Rate (Supply Only)	Renewable Energy Content
Standard (default)	January 2024 to January 2026	\$0.13849 per kWh	Meets MA renewable energy requirements
Optional Green	January 2024 to January 2026	\$0.16729 per kWh	100% MA Class I RECs

[Rates apply to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]

For comparison purposes, Eversource's Residential Basic Service rate is fixed at \$0.15845 per kWh from January 1, 2024 through July 31, 2024. Normally, the term would be through June 2024 but this is a transition term. In September, the Massachusetts Department of Public Utilities (DPU) issued an Order instructing Eversource to change its Basic Service periods to February through July and August through January [[mass.gov/news/dpu-orders-schedule-changes-to-basic-service-rates](https://www.mass.gov/news/dpu-orders-schedule-changes-to-basic-service-rates)]. This is expected to mitigate large seasonal changes in Basic Service electricity supply prices.

It is important to note that **no action will be required** by individual consumers. All accounts currently enrolled in the City's Program will continue to see Dynegy printed under the "Supplier Services" section of their monthly bill. This rate change will be seen on the February 2024 bills. Consumers with questions about the Program should call Colonial Power Group, the City's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the City's Program, including how to OPT-OUT or OPT-IN, to change your current product selection, or to access Eversource's Basic Service rates, please visit colonialpowergroup.com/pittsfield or call Dynegy at (866) 220-5696. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

Basic Service rates change twice a year or more, depending on rate class. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Eversource Basic Service. However, such savings and future savings cannot be guaranteed.
