# THE TOWN OF ASHBY'S COMMUNITY CHOICE POWER SUPPLY PROGRAM

The Town of Ashby is announcing the new rate and term for its Community Choice Power Supply Program through its current electricity supplier, **First Point Power**. The Town's new aggregation rate is fixed **for all rate classes for 24 months** as follows:

Term	Current Rate (Supply Only)	New Rate (Supply Only)	Renewable Energy Content	
			Required by State*	Voluntary**
November 2024 to November 2026	\$0.11336 per kWh	\$0.13107 per kWh	2024: 62%; 2025: 63%; 2026: 69%	---

*[Rate applies to service beginning and ending on the days of the month that your meter is read in your service area. This date varies by account.]*

*\*Required by State – Mandatory minimum percentage of renewable energy resources required by MA law.*

*\*\*Voluntary – Additional renewable energy that exceeds the minimum required by the state in the specified year.*

For comparison purposes, Unitil's Residential and Small Commercial Basic Service rates are fixed at \$0.19304 per kWh from August 1, 2024 through January 31, 2025.

**No action is required** by individual consumers. All accounts currently enrolled in the Town's Program will continue to see First Point printed under the "Supplier Services" section of their monthly bill. This rate change will be seen on the December 2024 bills. Consumers with questions about the Program should call Colonial Power Group, the Town's aggregation consultant, at (866) 485-5858 ext. 1.

For more detailed information about the Town's Program, including how to OPT-OUT or OPT-IN, or to access Unitil's Basic Service rates, please visit [colonialpowergroup.com/ashby](https://colonialpowergroup.com/ashby) or call First Point at (888) 875-1711. You may OPT-OUT or OPT-IN at any time in the future with NO CHARGE.

*Basic Service rates change twice a year. As a result, the aggregation rate may not always be lower than the Basic Service rate. The goal of the aggregation is to deliver savings over the life of the Program against Unitil Basic Service. However, future savings cannot be guaranteed.*
